Similkameen River Appraisal Level Study Clarification of Request for Qualifications

Questions have been received regarding the 12 page limitation for submittal of the request for qualifications for the Similkameen River Appraisal Level Study. It is the Public Utility District No. 1 of Okanogan County's intention that each submittal be limited to 12 sheets or less (double-sided admissible) outlining a qualified consulting Firms interest. Additional sheets containing the Firms resumes of key people that will be involved on the project have no limitation of sheets.

Again, if you have any questions, please feel free to contact Mark Watson at (509) 422-8484 or email at markw@okpud.org.
